WORK EXPERIENCE

Sanskriti India | Gwalior, MP

February 2025 – Present

E-Commerce Manager

- Direct end-to-end e-commerce operations across **eBay, Etsy, and Shopify** platforms, managing product catalogs, inventory, and order processing workflows.
- Optimize product listings using keyword research and targeted content strategies to increase store visibility, search ranking, and conversion rates.
- Monitor multi-platform account health, resolve operational issues, and ensure seamless order fulfillment and customer satisfaction.
- Generate and analyze weekly sales reports from Shopify and marketplace dashboards to identify growth opportunities and market trends.
- Collaborate with senior management to set listing performance benchmarks and monthly sales targets.

ARBASIA | New Delhi

June 2024 – January 2025

Operations & Executive Support Manager

- Partnered directly with the Director General to manage cross-functional projects, administrative workflows, and organizational productivity.
- Managed direct communications with US-based clients, serving as key account representative and providing operational support.
- Coordinated legal documentation and client communications with legal representatives to ensure compliance and timely follow-ups.
- Supported website development initiatives, overseeing frontend and backend structural frameworks and site architecture.
- Implemented task tracking procedures to ensure 100% on-time project completion and delivery.

Ami Enterprises | Mumbai, MH

May 2019 – May 2024

E-Commerce Operations Manager (Promoted: Account Manager → Team Lead → Manager)

- Managed e-commerce marketplace accounts for sellers on **Amazon (India & US), Flipkart, Meesho, Snapdeal, and JioMart**, driving revenue growth.
- Supervised, trained, and mentored a team of specialists; established performance benchmarks and daily workflows to maximize efficiency.
- Spearheaded full-cycle recruitment including candidate interviewing, hiring, onboarding, and structured employee training.
- Conducted monthly sales audits, planned product advertising campaigns, and interacted with marketplace sellers to scale store performance.

Punjab Motor and Tractor House | Gwalior, MP

April 2018 – April 2019

Accountant

- Managed Accounts Payable (AP) and Accounts Receivable (AR) in strict accordance with vendor agreements and payment terms.
- Prepared and maintained monthly balance sheets reflecting organizational assets, liabilities, and equity.
- Developed automated tracking spreadsheets using MS Excel and Google Sheets to visualize financial metrics and cash flow.
- Reconciled supplier statements, internal financial ledgers, and client records to maintain 100% auditing accuracy.

INTERNSHIP

Professional ITS | Gwalior, MP

July 2022 – August 2022

Human Resources Intern

- Supported HR workflows including talent recruitment, candidate selection, employee training programs, and group discussions.
- Compiled and analyzed raw operational data to monitor and report monthly employee productivity metrics.
